**HAWK RIDGE ENRICHMENT OPPORTUNITIES**

Each week campers will have the opportunity to participate in an already scheduled enrichment activity on Monday and Wednesday afternoons (Please note that during weeks four and eight campers will go to Theater Enrichment every afternoon except Friday).

- **Creative Kids** – Creativity is an important aspect to developing the whole child, and Creative Kids aims to promote just that. Campers will get a chance to express their creativity with a hands-on activity. **Instructor:** Mrs. Jenna Barrett

- **Cooking** – Campers will connect with their inner “foodies” as they receive hands-on preparation and instruction resulting in a deliciously edible result. Cooking reinforces math principles while also promoting listening skills and following directions. **Instructor:** Mrs. Sarah Meacham

- **Soccer** – Campers will get to exercise their athletic skills as we offer soccer as an enrichment program. Soccer encourages not only athleticism but also fosters the importance of teamwork as well as develops foot coordination. It is also an incredibly fun way for kids to let out their energy! **Instructor:** Coach Nicole Bulinsky

- **Football** – Football teaches the value of teamwork while also demonstrating the importance of athletic activity. It also fosters footwork and agility and is a fun way to release energy. **Instructor:** Coach Erik Kimrey, Hammond’s Head Varsity Football Coach

- **Karate** – Not only does your child learn the basic moves of karate, but he/she also works on “stranger danger,” listening skills, manners, and self-control. Students will be taught to become future leaders by teaching confidence and discipline. **Instructor:** Capitol City Karate

- **Stretch and Grow** – Stretch and Grow presents healthy physical fitness in a fun environment! Each week, campers will build their physical fitness and learn how to live a healthy lifestyle, incorporating diet and many different types of exercise. **Instructor:** Stretch and Grow Fitness

- **Tennis** – Fun with Tennis aims to capture the student’s interests and enthusiasm for tennis. The main benefits are students developing hand-footwork-eye coordination and fitness improvement while having fun. **Instructor:** Coach Doug Adams

- **Caught in the Act! Theatre** – Dive into the fundamentals of theatre through creative play! Campers will be asked to wear pants or shorts with a solid-colored shirt, as a simple way to reflect their character on the day of the performance (for example, if a camper is portraying a crow they would wear a black shirt). Throughout their involvement in this portion of Hawk Ridge, campers will walk away with a toolbox of theatre skills that will enhance their understanding of the dramatic arts, develop an appreciation of aesthetics, and relate these skills to real-world applications. During this process, they are actively building and expanding their imagination, problem-solving, teamwork, communication, and self-confidence in front of a live audience.

**Groups A & B (3-4 year olds) and Groups C & D (Rising K-1st grades):** Campers will perform an ensemble role in the June and July performance. They will learn how to manipulate their bodies and voices to create basic physical and verbal expression for creating character. Students will learn a song as a group and movements that accompany the song. They will learn about staying in character and not breaking the imaginary “4th wall”.

**Groups E & F (Rising 2nd-6th grades):** Campers will dive into a performance based off of a fairytale/folktale and engage fully in the rehearsal process. Their immersion in the play process will have campers expanding their level of understanding on the life cycle of a play, as well as valuing the commitment and discipline required to put on a successful show. All campers will have lines to be performed individually and be expected to execute their lines by the performance date, as well as all blocking and characterization direction. During each production week, this is what campers will be expected to see.
Theatre Performances: Campers attending in Hawk Ridge Camp during weeks four and eight will have an opportunity to participate in a 30-minute play performance. During week four the play performance is scheduled on Thursday, June 25, at 5 PM. During week eight the play performance is scheduled on Thursday, July 30, at 5 PM. Doors will open at 4:30 PM, for both performances at the Bank of America Theatre. Students will demonstrate their drama skills in creative play exercises from highlights of the week for family and friends.

Monday (Audition): Campers will engage in movement and voice activities and share their comfort level with being onstage. They will then be assigned the role best suited for their comfort and skill level as revealed in the audition and be expected to study their part at home. Scripts will be e-mailed to all parents/guardians so that campers have a copy of the script at home and can rehearse at home on their part.

Tuesday (Blocking): Campers will learn where they need to stand and move during the performance. They are committing their lines to memory and working on staying in character.

Wednesday (Technical): Campers will rehearse the play as technical elements are added; music, sound effects, and lighting cues to be incorporated during the stumble-through rehearsal.

Thursday (Final Rehearsal): Campers will rehearse the play multiple times from 1 – 3 PM.

Attendance: During both weeks four and eight, attendance is imperative to the campers and the success of the theatre showcase. Campers rely heavily on their peers’ cue lines and, when their peers are not in attendance, this poses a problem in the ability to rehearse effectively. **Two or more missed rehearsals may result in an understudy assuming the role in the play.** Time is always the enemy in theatre; a commitment to attendance is a crucial component. Campers that cannot commit to the attendance expectations will participate in an alternate engaging, hands-on planned activity with the Hawk Ridge counselors.

*Putting together a performance of any kind and for any age can be a lovely, challenging adventure. Campers will be supported throughout the week to secure success and ensure an excitement for the performing arts!*

**WHAT YOU NEED TO KNOW ABOUT HAWK RIDGE CAMP**

**Hawk Ridge DROP-OFF Procedures**
- Every Monday all campers are to be checked in at the Lower School Gym by an adult between 7:50 AM – 8:50 AM. Please look for the Hawk Ridge Camp Check-in table.
- Tuesdays – Fridays campers are to be dropped off in the Lower School Gym by an adult between 8:50 AM – 9:00 AM.
- The School is not responsible for a camper until the parent or authorized adult has checked them in and their Camp Counselor recognizes the camper as being present.

**Hawk Ridge PICK-UP Procedures**
- Campers registered for half-day camp from 9 AM – 1 PM will be escorted to carpool outside the Lower School Gym at 1 PM.
- Campers registered for full-day camp that are not registered to attend our After-Extended Camp Program beginning at 4 PM will be escorted to carpool outside the Lower School Gym for pick-up by 4 PM. Campers that have not been picked-up by 4:10 PM join the After-Extended Camp Program and charged accordingly.
- Hawk Ridge Counselors will not release any camper to any unauthorized person under any circumstance. A camper will only be released to the adults that are authorized for pick up (this information is provided to us throughout the online registration process). If someone else will be picking up the camper, families must notify the Summer Programs Manager, via email at
awalter@hammondschool.org with the name of the authorized person in order for the camper to be released and he/she should be prepared to show proper identification before the camper is released. It is imperative that this procedure is followed so that we may ensure each camper’s safety. If there are any changes in the dismissal procedure for your camper, families must provide at least a 24-hour advance notice to Anna Walter, Summer Programs Manager, in the Auxiliary Programs Office at 803.726.6413.

- We have an open door policy and parents have full access to their children at any time during Hawk Ridge operating hours unless there is a court order limiting parental access. If there is a court order prohibiting any individual from having access to a child, the Director of Auxiliary Programs must have a copy of the documentation ordering such prohibition. Please note that this free access must not disrupt camp activities and camp routines.

- Parents must contact their child’s Lead Hawk Ridge Counselor immediately should an emergency arise that prevents them from picking up their child on time. Parents will still incur a late notice fee of $10 and the child will attend the After-Extended Camp Program until picked up and will be charged accordingly. It is important to provide advance notification because it is comforting for children and staff to be aware of a parent that is going to be late and is on their way. We do provide each Lead Hawk Ridge Counselors and After-Extended Camp Counselors cell phone number to families to use if this situation arises.

- If a child is not picked-up by 6 PM, families will be charged a $25 late pick-up fee for every 15 minutes after 6 PM.

Pick-up/Carpool Procedures
Please refer to the 2020 Hammond Summer Programs Handbook on pages 7-8 for carpool procedures.

Hawk Ridge Snacks
Campers who attend Hawk Ridge Camp will visit the Snack Shack twice daily (once in the morning and once in the afternoon) for snack time. Campers are to bring a snack from home for each visit OR purchase a snack plan online through the Summer Programs online registration database. Please refer to the Snack Shack menu on the website for snack plan options. On days when there is a field trip or if there is another function that prohibits Hawk Ridge campers (who have purchased a plan) from visiting the Snack Shack, campers will be provided a snack. Please know it is important to indicate any special dietary needs (e.g., allergies or cultural/religious food preferences) throughout your camper’s online registration process. Parents need to bring these needs to the attention of their camper’s Lead Hawk Ridge Counselor the first day they attend. Adjustments must be made for children with allergies or other special requirements by the parents.

Hawk Ridge Lunch
All campers are to bring a lunch each day to camp (including all utensils) OR they can pre-order a Skyhawk bag lunch. Skyhawk bag lunches are provided by local restaurants and the KIVA, and must be ordered by Wednesday the week PRIOR to the camp week it is needed. Campers are only permitted to order the lunch that is listed each day. No substitutions can be made. Drinks are not included, but are available for purchase. Skyhawk bag lunches are ordered online through the Summer Programs online registration database. Please visit the Hammond Summer Programs webpage for the Skyhawk Bag Lunch Menu.

For more information about the Snack Shack and our Skyhawk Bag Lunch Program, please refer to the 2020 Hammond Summer Programs Handbook.

School Uniform/Camp Uniform
- Campers will not be required to wear Hammond uniforms during the summer. They are, however, required to wear tennis shoes (closed-toe, closed-heel shoes) every day. This is for the safety of our campers!
• Each participant registered to attend Hawk Ridge Camp will receive one free 2020 Summer Programs t-shirt. Campers will receive this t-shirt the first week of Hawk Ridge Camp that they attend during the Monday check-in located in the Lower School Gym between 7:50 AM and 8:50 AM.

• Campers are to have an extra change of clothes, a water bottle, sunscreen and a towel with them while at camp every day. All items are to be labeled with the camper’s name. We encourage campers to own a Hammond Summer Programs drawstring backpack or something similar in size for them to store all of their items in and for them to be able to easily keep up with their belongings throughout each day of camp. Hammond Summer Programs drawstring backpacks are available for purchase for only $5 each, while supplies last.

• Campers that arrive at Hawk Ridge Camp without a water bottle will be provided one and will be charged through their online registration account for the cost of the water bottle. Families will be notified of their account being charged for the water bottle immediately. If Hammond no longer has water bottles in stock, the camper’s family will be contacted to bring one in order for the camper to remain at Hawk Ridge Camp.

NOTE – Read Carefully: Campers that arrive at Hawk Ridge Camp without wearing his/her t-shirt on days that a field trip has been scheduled will be provided one and the family will be charged through their online registration account for the cost of the t-shirt. Families will be notified of their account being charged for the t-shirt immediately. If Hammond no longer has a 2020 Summer Programs t-shirt available for purchase, that is an appropriate size for the camper or we no longer have them in stock, the camper will remain at Hammond and will not be able to attend the field trip.

Hawk Ridge Rest Time
Campers will be provided an hour-long “quiet time” every day. This time is designed to provide each camper time to rest and recuperate from the morning activities and to prepare for the rest of the day. During this time campers are encouraged to bring books from their school’s summer reading list so that they are able to work on completing this task for the upcoming academic year. If a camper does not have a summer reading list, they may bring other books or choose from books that are available at camp. The use of mats, blankets and/or large towels are permitted and encouraged. If campers choose to bring these items, please be sure they are labeled with their name.

Swim Lessons
Campers registered in Hawk Ridge Camp from 9 AM – 4 PM or 12 PM – 4 PM are provided the option to add Swim Lessons to their registration for an additional fee. Campers that choose to add this option will be transported to Hunting Creek Swim and Racquet Club and are supervised at all times by our Camp Counselors. Water Safety Instructors will be teaching the swim lessons. The instructor to camper ratio is 1:4. Swim lessons will be offered Monday-Thursday, from 1 PM – 1:30 PM. If you have any questions contact the Auxiliary Programs Office at 803.726.6413.

Hawk Ridge Potty Training and Head Lice Policies
